

GetPPF.

Verified UK paint protection film installers.

ABOUT

GetPPF is an independent UK directory of paint protection film and ceramic coating installers. Real photography, verified Google reviews, and brand certifications cross-checked against XPEL, SunTek, STEK, LLumar and Gtechniq locators. No commission, no broker fees, no buried listings.

STORY ANGLES WE CAN HELP WITH

1. Opaque PPF pricing - what UK owners actually pay vs. what brokers quote.
2. Fake brand certifications - how badge claims diverge from manufacturer locators.
3. The broker-led local pack - who really owns the top 3 PPF Google ads.
